VEASEY v PERRY (TEXAS) 2:13 cv 193 USCA5 14-41127

David J. Bradley, Clerk of Court

Copies of docket sheets and/or documents require prepayment of the copy expense, currently \$0.50 per page. Certification of copies is an additional \$11.00 per document. If the case file must be retrieved from archives, a retrieval fee of \$64 for one box and \$39 for each additional box must be paid in advance. (Note: The court may direct the clerk to provide copies without cost to an indigent defendant proceeding pro se in a criminal case. However, the granting of in forma pauperis status under 28 U.S.C. § 1915 in a civil case does not entitle a litigant to free copies or services.) A summary of the page counts and necessary fees is provided:
